

Outsourcing to Sales as a Service

STATISTICS & INSIGHTS—INSIDE SALES

Inside sales is re-emerging and growing fast. Many businesses are wondering if they should move their sales resources to an inside model.

To learn more, we researched the latest trends and stats on why inside sales is making such an impact. What we found out was that inside sales reps cost businesses less money while also increasing revenue, prospects contacted, opportunities created and efficiency.

AN OUTSIDE SALES CALL COSTS \$308, AN INSIDE SALES CALL COSTS \$50

INSIDE SALES REDUCES COST-OF-SALES UP TO 90% RELATIVE TO FIELD SALES

ON AVERAGE, INSIDE SALES REPS ARE HAVING 70% MORE CONVERSATIONS THAN OUTSIDE SALES REPS

When focused on the right market segments and buyer profiles, inside sales drives huge sales force efficiency improvements. Business leaders want to know how to build a successful sales team. Many are left with questions like:

"How do I make the team effective?"

"How do I ensure the team gets strong results?"

"Do I build a team or do I look for a partner?"
