

# NuGrowth Sales by the Numbers

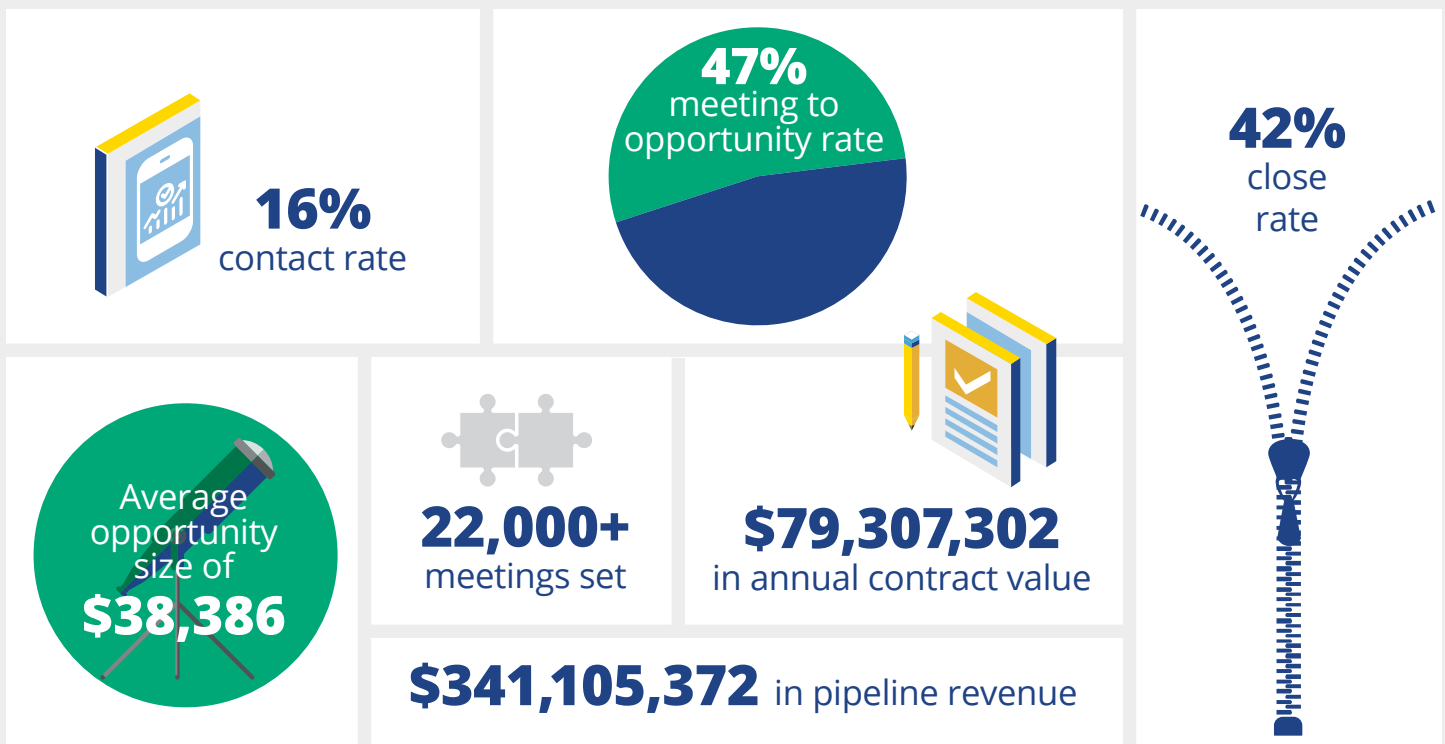

## ABOUT NUGROWTH SALES AS A SERVICE

The NuGrowth SaaS new business development team works the front end of your pipeline so you can concentrate on closing more business. NuGrowth, Sales as a Service offering provides a fully operational outreach team that increases B2B sales revenue for your business. When NuGrowth started in 2007, we were one of the first Sales as a Service organizations to hit the market. Today, we're currently ranked #1, nationally, for Sales as a Service on Google.

Since inception, 12 years ago, we've had success in the following industries: Technology, Health Care, Education, R&D, Retail, A&E, Manufacturing, Insurance, Economic Development, Automotive, Logistics, Aerospace, Advertising, Direct Mail, IT, Professional Services, and more
